

# The 29<sup>th</sup> ASET Annual International Conference

December 12-14 2013

Changhua, Taiwan.

## Conference Theme: Key Literacy and Essential Skills for the 21<sup>st</sup> Century

On behalf of the Association of Science Education in Taiwan R.O.C. (ASET) and the East-Asian Association for Science Education (EASE), we would like to invite you to join us for the 29<sup>th</sup> ASET Annual International Conference. The conference will be held at the National Changhua University of Education in Changhua, Taiwan.

ASET is the largest science education association in Taiwan, established since 1988. Each year during the conference, we invited internationally renowned scholars as speakers. Last year, there were about 240 presentations in math and science education. The 29<sup>th</sup> ASET Conference is also one of the activities recognized by the EASE association. Further detailed information regarding proposal submission will be announced in early summer. Please book the dates and join us!
